NEWS GATHERED FROM SOUTHSIDE

Alderman Patram Would Not Allow Councilmen to Be Fire Commissioners.

ORDINANCE WAS TABLED Funeral of Colonel A. G. Evans This Morning at 10 o'Clock.

Manchester Bureau, Times-Dispatch, No. 1102 11th Street.

An ordinance having for its object the election of five commissioners from citizens who are not members of the Council was introduced in the meeting of the Board of Aldermen by Mr. I. L. Patram of the 11th Ward.

After a long discussion, the matter was tabled, Messrs. Patram and Moore being the only members who voted in the affirmative.

Had the ordinance been favorably considered, it would have meant that sixteen members of the Council who are fire or police commissioners would have had to pay their fares on the street cars in the future.

The question of the installation of the Fire and Police Commissioners of cities have a right to ride free on street cars, but Councilmen have not.

Manchester has sixteen Fire Commissioners and four Police Commissioners. The lower body of the Council is composed of three members from each ward--there are four wards.

Twelve members of the upper branch has two members each from the four wards--eight members. Twenty Councilmen make up the City.

If the Council should adopt the resolution for the ordinance presented by Mr. Patram, there would be only four members who would have the privilege of riding on complimentary street car tickets.

In the event that the resolution remains on the table where it now is, all the Councilmen will continue to ride without cost.

For two months a meeting of the Fire Commissioners has not been held because it has been impossible to get quorum together. Firemen, substitutes and extra men, are to be re-elected. The commissioners have to recommend the names of these men to the Council.

The Almshouse Matter. The charges that Assemblyman L. R. Brown, of the First Ward, will refer against Superintendent William Allen, of Maury Cemetery, are in any court.

Mr. Brown thinks that Superintendent Allen is a man who is not fit to be in charge of the almshouse. He has visited Maury Cemetery one afternoon and he went through the poor-house.

"Colonel" Bill Allen is one of the best-known citizens of Manchester. He lives at Maury Cemetery. In addition to being keeper of the cemetery, he is secretary of the Board of Health and a member of the Council. His salary comes from the city.

At the next meeting of the Assembly, he is expected to make a special meeting of the Almshouse and Poor Committee, the whole matter may be brought up. In the meantime nothing is to be done by the friends of Mr. Brown and Mr. Allen.

Funeral of Colonel Evans. The funeral of Colonel Arthur G. Evans, of No. 23 West Ninth Street, who died suddenly Monday afternoon, while out on a walk, will be held at the Sacred Heart Catholic Church this morning at 10 o'clock, with solemn requiem mass. Interment will be made in Mount Carmel cemetery.

Three active pall-bearers are A. J. Lydes, Augustine Royall, Charles J. Lydes, James E. Phillips, Jr., A. Kavanaugh, J. E. Hutcheson, E. H. Spence and J. C. Toler.

Honorary--Rev. J. K. Joffine, W. E. Tanner, J. F. Tanner, Joseph Bryan, Judge J. Ingram, Judge William L. Johnston, H. C. Boutte, John Tietz, Captain J. A. Lipscomb and Dr. E. G. Hill.

A delegation from Joseph E. Johnston Camp, Confederate Veterans, and the Henricians will attend. The following detail from Leo Camp, Confederate Veterans, has been appointed to attend the funeral: Lieutenant-Commander Peter J. White, E. J. Hoshier, D. A. Brown, Joseph M. Thomas, James T. Gray, John Lamb, John Murphy and Alexander W. Archer.

Commonwealth's Attorney Charles L. Pace, who has been ill for some time, has been able to attend to the business before the court at this grand jury session.

Hon. Willis C. Pulliam announces that he is not a candidate for the State Senate but he is expected to run from the district. It was inadvertently reported in an afternoon paper several days ago that Mr. Pulliam would stand for the Senate this year.

Mr. C. C. Lamb, of Porter Street, is much improved after an illness of several weeks.

The coming of Mr. I. T. Winters, of Decatur Street, is much improved. Members of the Olympia Club met in regular session last night and transacted routine business.

Special services will continue at the Dainbridge Street Baptist Church each night this week. Rev. Dr. Carter, of Newport News, will preach to-night, and the music will be made a special feature, as heretofore.

NOT REPRESENTED ON POLICE BOARD?

remove from the ward in which he lived when elected to said board, cease to be a voter, or be a candidate for any office, Federal, State or municipal, shall ipso facto vacate his seat in the Board.

Then follow provisions for filling vacancies thus arising for the unexpired term only.

If a member of the Board shall not have resided in a certain ward for thirty days next preceding the election in which he offers to vote, he is not entitled to vote in such ward, Section 18, Article 2, Constitution of 1901-02, reads as follows:

"Every male citizen of the United States, twenty-one years of age, who has been a resident of the State two years, of the county, city or town one year, and of the precinct in which he offers to vote thirty days, next preceding the election in which he offers to vote, has been registered, and has paid his State poll-taxes as hereinafter required, shall be entitled to vote for members of the General Assembly and all officers elective by the people, but removal from one precinct to another in the same county, city or town, shall not deprive any person of his right to vote in the precinct from which he has moved, until the expiration of thirty days after such removal."

Interesting Question. In order for a man to vote in Monroe or Clay Wards he shall have resided in that ward for thirty days, next preceding the election in which he offers to vote, or not having resided therein for that length of time, he may vote in the ward from which he is removed.

The question of the right to vote is regarded as conclusive of the question of residence and what constitutes such residence.

The question raised is an interesting one, at least, and it is up to the members of the Council from Clay and Monroe Wards to have the City Attorney pass upon the question of the right of the gentlemen purporting to represent those wards to so represent them.

An analogous case cited by some is that of former Alderman Zimmermann, who removed from Madison Ward, and represented that ward because he was not eligible to do so by reason of his change of residence.

YOUNG LADY SAID SHE WOULDN'T GO But Sheriff Solomon Convinced Her of Advisability of Obeying Summons of Court.

The Henric Circuit Court spent yesterday in hearing the suit of Mrs. Julia Holloway against the receivers of the Virginia Passenger and Power Company.

Mrs. Holloway claims damages as a result of having been overturned while driving in a buggy on Floyd Avenue, near the corner of Deep Run Street, in Henric county, on July 9, 1905.

In the course of the hearing a number of ludicrous incidents convulsed the jury and spectators.

Another laugh was occasioned during the afternoon when a recess was taken to allow the defendants to summon an additional witness, a young lady who was said to be on the case.

DAUGHTERS HISS THEIR PRESIDENT

Mrs. Donald McLean's Comment on Treasurer-General Is Severely Condemned.

MRS. HOWARD SPOKE OF Great Niece of Washington Mentioned by Insurgents for President-General.

WASHINGTON, D. C., April 16.--After being hissed in to-day's meeting of the Continental Congress of the Daughters of the American Revolution, Mrs. Donald McLean, the president-general of the society, tonight called to order the meeting of her home State of New York for resolution of disavowal of the insurrectionary attitude of the society.

Mrs. Charles H. Terry, of Brooklyn, was elected vice-president-general for New York State.

During a controversy in to-day's session between Mrs. McLean and Mrs. Davis, the treasurer-general, when the latter asked for more time in which to submit her report, many of the delegates hissed Mrs. McLean when she remarked that the treasurer-general's report "seemed to be up in the air."

The name of Mrs. E. W. Howard, of Alexandria, Va., a granatee of George Washington, it was announced by "insurgent" leaders to-night, will probably be presented Thursday as a candidate for president-general.

Financial Investment. The facts regarding the "financial investments" of the society were brought out in the report of the treasurer-general, Mrs. Davis, which was submitted this afternoon.

The question of the investment of a portion of the society's funds in railroad bonds has been a bone of contention among some of the delegates, it being openly stated by Mrs. Davis that the investment had been made in "speculative" investments.

The reports showed that the society has a total of \$2,477 in railroad bonds.

Mrs. Davis stated that she was not consulted about the purchase of these bonds, and that she paid out checks for the investment on the recommendation of the finance committee.

The report points out that if the bonds were sold now, there would be lost \$52 as a result of the depreciation of the market value of the bonds.

Mrs. E. S. Munsey, of this city, stated that the investment had been purchased by the finance committee only after it had sought the advice of the most reliable financial experts in New York City.

CONVICTION AFFIRMED. Court of Appeals Sustains Findings in Chicago-Alton Case.

CHICAGO, April 16.--The United States Court of Appeals to-day affirmed the conviction in the District Court of Chicago and Alton Railroad, and John M. Falhorn and Fred A. Wain, former officials of the line, for granting rebates.

The company and the two officials were found guilty last year and an aggregate fine of \$60,000 was imposed by the court. The railroad company was fined \$50,000, and the two officials \$10,000 each.

TRAIN TOO SLOW, SO WATSON SLUGS PORTER

Once Candidate for Presidency of United States Bests Negro Who Talks Loud.

An Augusta, Ga., special says: The railroad and race problem were joined on a train between Atlanta and

Atlanta yesterday when Thomas Watson, once candidate of the Populist party for the presidency of the United States, and now the editor of a magazine in Atlanta, engaged in an altercation with a railroad porter, which ended in blows.

Mr. Watson was on a Pullman car and was annoyed by the slow time made by the train. He and the conductor engaged in a talking match, in which the porter soon became a party, the negro taking up for the road's side of the question.

Then Mr. Watson grew excited and landed the porter a whaling blow in the face with his grip. For a while it looked as though serious trouble would be the outcome between the negro, Mr. Watson, his friends and the conductor, but finally peace was restored.

The train was stopped for twenty minutes before the difficulty was finally settled.
